THE COVENANT SCHOOL DISTINCTIONS

The purpose of a Covenant education is the formation of an authentic human being. The Covenant curriculum is a soul-shaping endeavor rooted in "The Great Conversation" where students learn to thoughtfully engage each other, their teachers, and great texts in the pursuit of all that is good, true, and beautiful.

Course Placement | Students are placed in courses based on academic ambition, test scores, and work ethic in previous courses. Due to the demands of extracurricular athletic, fine arts, and community service activities, juniors and seniors are encouraged to limit their number of AP courses to two per year.

Latin | All students must take at least 2 years of Rhetoric School Latin. Students are encouraged to continue through to the AP Latin course. Students take the National Latin exam annually, winning the silver Maxima Cum Laude and gold Summa Cum Laude awards regularly.

Schedule | The Rhetoric School operates on a modified block schedule, with students taking seven courses meeting for a total of 240 minutes each per week.

Declamation | Students memorize and perform a four to five minute historical speech or Shakespearean monologue each year.

Senior Thesis | Highlighted as the capstone for a classical Christian education, seniors spend their final year researching and writing a 15-page paper on the topic of their choice. The Senior Thesis project culminates in an oral defense before a panel of judges.
