This list was compiled by Cigus Vanni, a member of the New Jersey Association for College Admission Counseling Executive Board and former member of the NACAC Professional Development Committee (2007-2010). Sources consulted included The College Handbook, 2015 by the College Board; individual college websites; the College Board Common Data Set; and various college admissions offices by telephone. As is the case with all aspects of college admission, use lists as guides and be certain to double check with individual admissions offices
